

# ZeroFax Business

## Digital faxing as a managed service

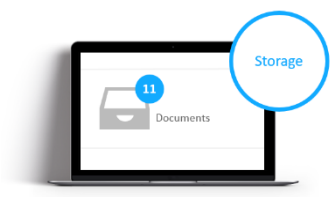

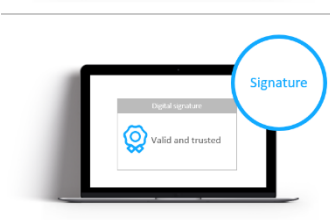

### Are you already taking advantage of the benefits offered by IP technology?

Is fax an important means of communication for you, but you still want to switch to “All IP”? ZeroFax Business is a new hybrid fax service that will help you deal with the digital transformation processes. You will be able to continue sending faxes without any interruptions and set about dealing with the change process concerning fax at an appropriate time and assume autonomous control.

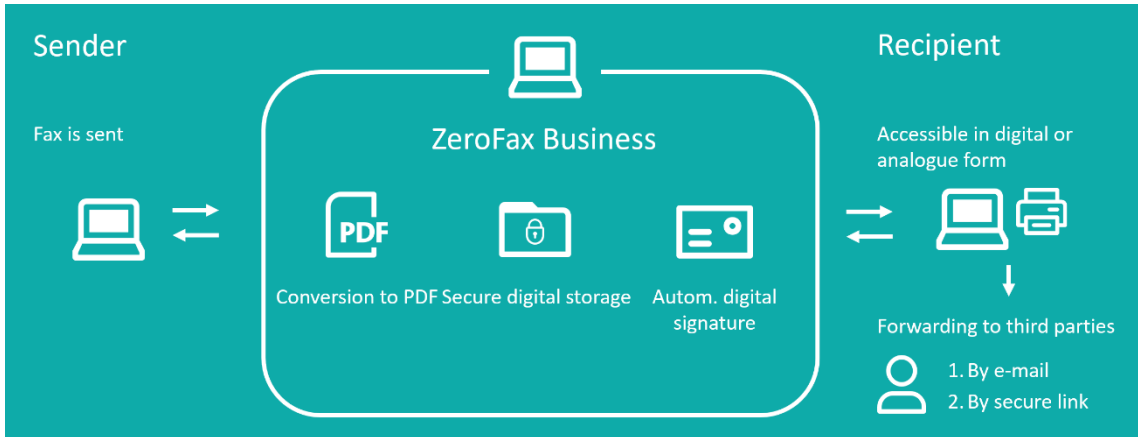

### ZeroFax Business scope of service

- ✓ Send PDF documents digitally to a fax number
- ✓ Receive fax documents digitally as PDF documents
- ✓ Send faxes via your e-mail client
- ✓ Receive incoming fax documents as an e-mail
- ✓ Provide incoming and outgoing fax documents with electronic signatures and time stamps
- ✓ Send fax documents via traditional channels at the same time, where necessary
- ✓ Track and log all fax transmissions

### ZeroFax Business comprises three tried-and-tested Swisscom solutions

	<h4>Swisscom Fax Gateway (Faxination)</h4> <ul style="list-style-type: none"><li>✓ Traditional fax messages are transformed into PDFs</li><li>✓ Creation of delivery and non-delivery reports</li></ul>
	<h4>Swisscom signing service (All-in Signing Service)</h4> <ul style="list-style-type: none"><li>✓ All documents are signed electronically</li><li>✓ The integrity of all documents is protected</li></ul>
	<h4>Swisscom document storage (Docsafe)</h4> <ul style="list-style-type: none"><li>✓ Secure digital storage space for incoming and outgoing fax documents</li><li>✓ Practical access via smartphone, tablet or computer</li></ul>

## How ZeroFax Business works
