

Pricelist **Microsoft Cloud Services NCE**

Valid from February 1st 2024

General section

Project costs for commissioning

Swisscom or a Swisscom partner will contact the customer regarding the commissioning/initial configuration of services and will discuss and provide an offer for the process through to the final switch-on.

Billing

Swisscom creates a monthly invoice for recurring services.

Swisscom offers the option of a 12-month advance payment, or, where Microsoft permits, a 36-month advance payment.

Azure

The prices for Azure resources (including Azure Reserved Instances) can be seen on the [Azure price calculator](#). Purchase of Azure with Swisscom includes Microsoft Premier Support access, for which we charge a 5% surcharge on top of Microsoft's Azure prices.

Support

Support by phone is included in the event of an incident.

[Further information in the current service description](#)

Other services

All consulting issues, such as

- Data transfer/migration from other systems
 - Designing intranet and team pages
 - Training and introduction to efficient use
 - Support for client updates/management
- are calculated on the basis of effort.
