

Digital procurement as an essential success factor for SMEs.
SAP Ariba Services from Swisscom facilitate digital procurement of the future.

SAP Ariba Consulting

What is SAP Ariba Snap?

SAP Ariba Snap from Swisscom is the world's largest B2B procurement network, enabling medium-sized companies to digitally and seamlessly exchange purchase-related documents and invoices with a large number of suppliers. At the same time, all users in the company can access a guided buying experience as part of a pre-configured shop solution that ensures compliance with your procurement guidelines.
