Service description - New Hosting Terms

Online Privacy Statement

swisscom

* Annual fees for a domain (internet address): CHF 15/year for .ch and .li domains; CHF 25/year for .com / .net / .info / .biz / .org / .mobi domains

** One out of the following Premium Certificates can be installed: Domain Validated (RapidSSL), Organization Validated (GeoTrust True Business ID) or Extended Validated (Comodo EV SSL).

*** Requires a myCloud account. myCloud offers 10GB of storage free of charge. Swisscom Vivo, inOne and NATEL® infinity customers benefit from 250GB of storage space for their files. The storage space for photos & videos is unlimited.

**** For business customers, use of the Webhosting service is intended for normal business customer use only; for residential customers, use of the service is intended for normal residential customer use only. Use of the Webhosting service for data storage does not fall within normal use for business or residential customers. Should there be indications that the customer is using the service for the purpose of storing extensive data, Swisscom reserves the right to curtail or restrict the service provision at any time, to terminate the contract or to take other appropriate action. Furthermore, the customer is not authorised to make the services purchased available to third parties (either for free or for a charge).
