Surfing abroad: Europe ¹	Standard tariff						5 GB	Unlimited data ⁵			
Surfing abroad: Global ¹	Standard tariff									Unlim. in USA and Canada ⁵	Unlimited data ⁵

¹ See detailed country list and tariffs from page 4.

² After the included data volume has been used up, the data connection is cut off. To continue surfing, data packages are available to purchase. Data packages can be added by the end user in cockpit.swisscom.ch.

³ If more than 60 GB is used in Switzerland per month, the max. upload & download data speed is reduced to 0.5 Mbit/s. Use remains unlimited and will not incur additional charges.

To access the maximum subscription speed again, national data packages are available to purchase. Data packages can be added by the end user in cockpit.swisscom.ch.

⁴ Subscription includes unlimited calls and SMS within USA/Canada and from USA/Canada to zones Europe, Neighbours and Switzerland.

⁵ If more than 40 GB is used abroad per month, the max. data speed is reduced to 0.2 Mbit/s download and 0.1 Mbit/s upload. Use remains unlimited and will not incur additional charges.

To access the maximum subscription speed again while travelling abroad, data packages are available to purchase. Data packages can be added by the end user in cockpit.swisscom.ch while travelling abroad.

Subscription prices depend on the selected subscription type, the number of activated lines and deduction of the SME benefit. Billing: Every call is rounded up to the next centime (roaming calls are rounded to the next CHF 0.10).

The connections are intended for customary commercial and average private communication between business customers. Swisscom will reserve the right to notify the Customer and/or the respective end user of any excessive or abusive use, while at the same time initiating suitable and appropriate measures to prevent any excessive or abusive use of the affected connections, reduce the speed, discontinue service provision or limit it to the maximum permitted volume.
