

curaBILL

Receivables management for lean and uncomplicated practice administration.

Billing and billing administration are some of the most time-consuming administrative tasks in the healthcare sector. curaBILL helps you to streamline your practice administration. This results in lower effort, less administration and ultimately more time for your patients.

<p>Liquid thanks to pre-financing</p>  <p>Harvest the fruits of your labour immediately.</p>	<p>Specialised in the healthcare sector</p>  <p>Comprehensive knowledge and a high level of security.</p>	<p>Reduce losses from bad debts</p>  <p>Comprehensive knowledge and a high level of security.</p>
---	--	--

swisscom**About Swisscom Health – partner in medicine**

We are digitalising processes in the Swiss healthcare sector. Our solutions range from comprehensive receivables management to a cloud-based medical information system and complex solutions for sharing medical data.

In this way, we help to optimise processes, improve treatment quality and reduce costs.

Today, around 6,000 doctors, 200 hospitals, 750 therapists, 70 institutes and laboratories, as well as insurance companies, rely on Swisscom Health's solutions.
